

Options for Wonders of Iceland

*Please note: the following is a list of suggested options, approved by Collette Vacations, which you may enjoy during your trip. For your convenience, a brief description of each tour is provided. Your tour manager will host a welcome briefing at the beginning of your tour to outline all the activities during your stay. He/She will also make all the necessary arrangements for you. Availability is limited and reservations are on a first come, first serve basis. Options may also be purchased prior to tour departure. For options purchased prior to your tour, payments must be received no later than 15 days prior to departure. For options purchased while on tour, payments will be collected by the tour manager at the time of service. Collette strongly suggests payment for optional tours be made by **personal check payable to Collette Vacations or by credit card (Visa, Discover, Master Card, American Express)**. This will give you an accurate record of options purchased and facilitate our record keeping. All payments are in the listed currency and will be collected by the tour manager at the time of service. Prices are subject to change.*

Children under the age of 18 MUST be accompanied by an adult.

Reykjavik

Whale Watching

Embark on an adventure at sea as you are introduced to the captivating world of whales off the shores of Iceland! Begin this journey at the historic harbor front in the capital city of Reykjavik. Keep a keen eye out for the various whales you may witness, such as minke, humpbacks and even killer whales. In addition to the excitement of spotting whales, you may also see dolphins and sea birds such as puffins; guillemots and gannets accompany you during your sail. This is a perfect way to cap off your Icelandic experience.

Langjökull Glacier Adventure

Today, travel from Reykjavik by Super Jeep to one of the highest mountain roads in Iceland. A Super Jeep is a specially equipped monster jeep that can drive across glaciers, through rugged landscapes and off the beaten track. It is an adventure of a lifetime! When you reach Kaldidalur ("Cold Valley"), you drive up to the Langjökull Glacier. Then, explore the glacier drive down to the Hraunfossar waterfalls, which cascade into the river Hvita from beneath a lava field. Next, visit the historical site of Reykholt and Deildartunguhver, the most powerful geothermal spring in Europe. Return to Reykjavik via scenic Hvalfjörður fjord with its stunning combination of natural contrasts. *Duration: approximately 8.0 hours. Transportation is included.* Please note a minimum of 4 passengers is required.

Duration on the glacier will range from 15 to 35 minutes. This option departs at 9AM.
