Rochester, N.Y. - The Rochester Business Alliance and the [accounting firm](#) KMPG have announced this year's list of the region's fastest growing, privately held companies in Rochester.

Topping the list is Manning & Napier Advisors, Inc. - an [investment firm](#) based in Perinton.

Second place went to RailComm - a Fairport company that provides software based solutions to railway systems.

In third place - Real Lease, Inc. based in Pittsford - which leases commercial, municipal and energy equipment.

To be eligible for the Rochester Top 100, companies must be privately held, headquartered in the Rochester area and have at least one million in annual revenues for each of three most recent fiscal years.

This year marks the 25th anniversary of the Rochester Top 100.
