## 53rd Annual Transportation Council Spring Golf Outing Weathered the Storm!

By Tom Nescot

128 golfers braved the weather and teed it up at the 53<sup>rd</sup> Annual Transportation Council Spring Golf Outing at Victor Hills Golf Club on June 5th. Despite a brief thunderstorm delay and then later steady rain, the majority of the field toughed it out and managed to finish 18 holes. They were rewarded with a buffet dinner featuring steak, chicken, pasta, salt potatoes, green bean casserole, fresh fruit, and more.

The best “mudders” were the three-some of Larry Terreri, Matt Terreri, and John Colvin. They finished with a 63 (-9) and received week-long passes for the Wegmans LPGA event at Locust Hill Country Club the week of June 18-24.

Finishing second with a score of 65 (-7) was the team of Kyle Adams, Tim Sauerbier, Rick North, and Pat Lynch –

they each received a \$25 gift card from Dick’s Sporting Goods.

Receiving passes for a free round of golf at Victor Hills was the third place team of Dave Griffith, Pam Heiler, Sheila Griffith, and John Bednarski – they also carded a 65 (-7).

Perhaps working the hardest to each earn a free round of golf at Victor Hills was the last place team of Dick Steeb, Bob Maier, Walt Bachmann, and Hans Bachmann. They shot a respectable 80 (+8) and had fun doing so!

The holder of the winning ticket for the portable DVD player was Mark Mann. Our thanks to everyone who bought tickets for the DVD and 50/50 raffles and contributed at our scholarship hole – through your generosity, we were able to raise \$880 for the scholarship fund!

Finally, a special thank you to Ronnie Nescot for braving the elements and volunteering at the last minute to work the scholarship hole in the cold wind and rain. She did so with lots of blankets and a smile, despite the weather!

We’ll have the committee do a better job of arranging the weather for next year’s golf outing. We hope to see you there!

*Ed. Note: Thanks to Tom Nescot and Jim Aldridge, co-chairs of the Summer Golf Outing for a great event. See end of issue for more pictures from the outing.*

Tracy Chomick and Ed Kahovec.

## Fall Golf Tournament Enjoyed Sun!

By Todd Smith

The 2007 Fall Golf Outing was a tremendous success. The 75 degree temperatures in comparison to last years’ snow flurries were certainly a major factor. In addition, the attendance this year was a big positive as well. A total of 51 golfers

enjoyed a great day of golf in beautiful Rush, NY. The “play your own ball” format showcased some of the areas best duffers. The day’s events were wrapped up with cocktails and a delicious buffet dinner at the Wildwood clubhouse. Perhaps the biggest success of the day was the Scholarship Fund. Between the 50/50 raffle and

the par 3 Scholarship hole over \$400.00 was raised. Thanks to all that participated in this years’ event and to all that contributed to the Scholarship Fund.

*Ed. Note: Thanks are earned by Todd and his committee for chairing this great event.*
